

Founded in 1967 by Mamon Powers Sr., Powers & Sons Construction Company, Inc., is a highly respected commercial construction company. While corporate headquarters remains in Northwest Indiana, the firm has expanded to include fully staffed offices in Indianapolis, Indiana, and Chicago, Illinois. Our commitment to excellence has allowed us to recruit and develop a top-notch team to undertake projects within our core businesses. Powers & Sons offers the highest level of quality construction services including General Contracting, Construction Management, Design-Build, and Owner's Representative services.

As a mid-sized, family-owned General Contractor, Powers & Sons offers our employees the experience of working on large projects, while still maintaining the feel of a small collaborative environment. At Powers & Sons, our commitment to not only our clients but to our team members, which is why for over 50 years, we have become a staple in every market we work in.

We are seeking an effective take-charge **Construction Project Manager** who will be responsible for the overall coordination of \$5 multi-million plus dollar projects.

This role will include creating and managing the project schedule, budget, and scope. Must be a self-starter, capable of providing on-site leadership, and needs to have an eye for safety. The candidate must have a track record of delivering projects on time and within budget and exemplify the utmost attention to quality. They will work closely with clients, design professionals, and trade subcontractors.

Qualifications: The successful candidate will have a minimum of 5-7 years of hands-on experience in commercial construction. Must be well organized, self-motivated, and must provide evidence of proven experience and leadership.

Benefits:

- Competitive Salary
- Health , Dental and Vision Insurance
- Disability Insurance
- Flexible Benefits Plan
- Life Insurance
- 401 (k) with employer contributions
- Paid Holidays
- Paid Vacations
- Company Sponsored Events
