

Regional Controller, Northwest Indiana & Chicago

Powers & Sons Construction is a third-generation, family-owned firm offering diversified general contracting and construction management services. With a commitment to excellence, Powers & Sons creates built environments where time, cost, and unmatched quality converge to benefit the clients and communities we serve.

Our talented team delivers new construction and major renovation projects for clients ranging from K-12 schools and universities to city and state government agencies, hospital and healthcare providers, global retailers and pharmaceutical companies, cultural institutions, hotel and casino operators, nonprofit organizations, and real estate developers specializing in affordable multi-family housing and mixed-use properties.

Committed to operating construction sites that are diverse, equitable, and inclusive, our core values are the foundation of a company culture that is collaborative and supportive. Founded in 1967, Powers & Sons serves communities across Chicagoland, Northwest Indiana, and Central Indiana.

The Regional Controller is responsible for Northwest Indiana and Chicago accounting operations working collaboratively with the Corporate Controller, accountants, and other team members across the organization, including day-to-day interface with clients, project management and subcontractors.
