

Powers & Sons Construction
2636 W. 15th St.
Gary, IN 46404

Job Title: Project Engineer
Category: Full-Time
Effective: February 24, 2026

Powers & Sons Construction seeks Project Engineer at its facility located at 2636 W. 15th Ave, Gary, IN 46404.

JOB DESCRIPTION:

Scope, prepare, and maintain the project schedule. Create and maintain a submittal log, RFI log, closeout log, meeting minutes, and other logs, as required. Manage project documentation. Prepare proposals for changes to the Owner/Architect. Prepare monthly billings to the Owner and review subcontractor billings, as required. Assure safety compliance and records. Assure Quality Control measures and Quality Assurance checks. Attend job site meetings and assist as required in preparing/distributing minutes. Assist in job site logistic planning. At least 50% domestic travel required: various unanticipated locations throughout the U.S.

REQUIREMENTS:

This position requires a Bachelor's degree or foreign equivalent in Construction, Architecture, Civil Engineering, or a related field. Additionally, the applicant must have completed undergraduate or graduate coursework in: (1) Technology in Construction Management or related course; (2) Risk Management in Construction or related course; (3) Construction Finance and Company Management or related course; and (4) Construction Cost Control or related course.

Power & Sons Construction is an equal opportunity employer and is committed to providing an inclusive environment. We do not discriminate on the basis of race, color, religion, gender, gender expression, gender identity, age, national origin, ancestry, disability, marital status, sexual orientation, pregnancy status, military and veteran status, genetic information, and any other status protected by law. We provide qualified applicants and employees reasonable accommodation, when necessary, to enable individuals to complete the application process and/or perform the essential functions of the job.
