

## **Builders Association – AGC of America Contractors Safety Award Program**

(Oak Brook, IL) May 12, 2016 – The Builders Association, a chapter of the AGC of America, awarded Solid Platforms, Inc. three safety awards for work performed during 2015. The award ceremony took place at the annual Spring Summit meeting with over 100 construction professionals in attendance. As a leading industry advocate for safe construction performance, the Builders Association has instituted a Safety Award program to recognize its General and Specialty contractor members' outstanding safety performance. The program allows firms of similar size to compete for two awards based on incident rates, and one award honors most improved safety record.

Solid Platforms, Inc. was honored to receive the following awards.

- Recognition Award
- Safety Excellence Award for Companies with over 500,000 exposure hours
- AGC National Safety Awards (NASA) Certificate of Commendation

### **About The Builders Association**

The Builders Association has served as a resource for Chicagoland's construction industry firms since 1906, and has done so as a chapter of the AGC of America since 1918. The AGC is the nation's largest and most effective voice for construction firms in the nation. Being an AGC member offers contractors and service providers a myriad of benefits and resources, in addition to the Builders Association's resources in labor, safety, education, government relations and more.

### **About Solid Platforms, Inc.**

Established in 1990, Solid Platforms, Inc. has grown to be recognized as one of the foremost leaders in the scaffold industry. Through the work of our dedicated employees, our clients receive professional scaffolding services that separate us from others in the market. Safety will never be compromised in lieu of production.
